

HB4T Hot Box

LeeBoy

Performance Features:

Perfect for the all-inclusive paving contractor and municipalities, the HB4T Hot Box provides a perfectly sized hopper for patching potholes and utility cuts. Daily tasks can be completed with ease by relying on the trouble-free Beckett burner and the proven reliable user-friendly design. The Hot Box keeps plant material hot and warms cold mix to the optimal working temperature. Uniquely configurable, the customizable options give the contractor the ability to create a solution specific to their exact needs.

- 4 Ton Capacity Hopper
- Dump Hopper
- Thermostatically Controlled Heating
- Single Material Unloading Door
- Cantilever Material Loading Doors
- 14,160 lbs Loaded Weight
- One 105,000 BTU Diesel Burner
- Trailer-Mounted Configuration
- Electric brakes
- Emergency Brake-Away System
- Optional Accessories Available
